ADD NEW SKILLS TO YOUR TOOLBOX FREE WORKSHOP

East Coast Innovation Workshops in Pendelton SC

April 7-9 or May 11-13 or June 8-10 or July 13-15

2-1/2 day course consists of both classroom & hands-on instruction

Shower System

Waterproofing is the foundation of a successful tiled bathroom. Moisture sensitive construction materials must be protected from water and vapor penetration to prevent damage, and the growth of mold. Learn about the Schluter®-Shower System – an integrated family of products that create fully waterproof and vapor tight enclosures for tiled showers, steam showers, and bathtub surrounds.

KERDI-BOARD

Whether you work with mosaics or large format tiles, an absolutely flat substrate with straight and precisely aligned inside and outside corners is essential for creating a perfect tile covering - which tile installers can now achieve on their own, using Schluter®-KERDI-BOARD. KERDI-BOARD is waterproof and dimensionally stable, as well as lightweight and easy to work with. Substrate, building panel, bonded waterproofing... discover the possibilities!

DITRA & DITRA-XL

Learn how a multi-functional underlayment produces tiled floors that will last a lifetime. Specifically designed for ceramic and stone tile, Schluter®-DITRA and DITRA-XL provide uncoupling, waterproofing, vapor management and load support – the 4 essential functions for a successful installation.

Profiles

Discover how profiles both protect and beautify tile installations. Protect tile edges and create smooth transitions on tiled floors; finish and protect tile edges on walls; see how profiles allow you create beautiful, functional tiled countertops – without the need for ceramic trim pieces; create safe and durable tiled stairs; and learn about proper use of movement joints.

Reservations will be provided at the Hilton Garden Inn Hotel. Schluter®-Systems is happy to provide your accommodations one night prior to the workshop through lunch on the final day of the workshop.

All travel arrangements, including transportation from airport to hotel, will be the responsibility of the attendee. Contact your Territory Manager for travel options, if necessary.
